

QUARTERLY REPORT ON THE ACHIEVEMENTS OF THE KWARA STATE EDUCATION TRUST FUND - Q2 2024

As we progress through the second quarter of 2024, I am pleased to provide you with an update on the progress and achievements of the Kwara State Education Trust Fund during the second quarter of 2024.

Launch and Fundraiser

We are actively working on the preparations for the official launch and fundraiser of the Kwara State Education Trust Fund. This event is pivotal for garnering the necessary support and resources to achieve our educational goals for the state. We are eagerly anticipating a date from your esteemed office to proceed with the planning and execution.

Outreach to Companies and Donor Organizations

Our team is diligently reaching out to companies that have shown a vested interest in contributing to education. Notably, we are in discussions with IHS Towers and the National Information Technology Development Agency, NITDA, among others. Additionally, we are engaging with donor organizations that share our vision of enhancing the educational landscape in Kwara State. These partnerships are crucial for the sustainability and success of our initiatives.

Website Development

We have tentatively set up a detailed website for the Kwara State Education Trust Fund. This website includes comprehensive information about our proposed projects, goals, and ways to contribute. Importantly, it features donation buttons to facilitate easy contributions from supporters and stakeholders. The website will go live a month to the launch and fundraiser event.

We believe these efforts are critical steps towards achieving our mission of transforming education in Kwara State. We are committed to ensuring that the fund operates transparently and effectively to benefit the educational sector.

We look forward to receiving the date for the launch event from your office at your earliest convenience. Your continued support and guidance are invaluable to us as we strive to improve the quality of education in our state.

Thank you for your attention and support.

Yours Sincerely

Oluwadamilola Amolegbe (On behalf of the Board),
Executive Secretary,
Kwara State Education Trust Fund
