I am pleased to present the Q3 quarterly report of the Kwara State Education Trust Fund, highlighting our progress and ongoing efforts to improve the education sector in Kwara State. Below is a summary of our key initiatives for the third quarter of 2024:

Launch of the Trust Fund's Website

We are delighted to announce that the beta version of the Kwara State Education Trust Fund's official website is now live - www.kwara.fund. This platform enhances communication with the public and stakeholders, while providing access to critical updates, donations, reports, and information on ongoing projects. We look forward to implementing this sponsorship in the coming months.
